

# Art Knowledge Organiser: Printing

## Key Vocabulary:

**Printmaking-** an artistic process which transfers images from one template onto another surface, most often paper or fabric.

**Press printing** - using an item and applying pressure to it to make a copy of it.

**Rubbing printings-** made by pressing paper onto a surface so that the paper conforms to the features to be copied.

**Stamp and roll printing-** using a template and applying pressure to it to make a copy of it.

**Natural materials-** materials that already exist in the natural world.

**Man-made materials-** materials that are made by humans.

**Artist: Katsushika Hokusai** was a famous Japanese artist who produced drawings, prints and paintings.

Rub printing.

Stamp and roll printing.

Press printing.
